Dear

Freedom of Information Act 2000 – Request for Information

Thank you for submitting a request for information which we received on 4th January 2024 in relation to County Durham and Darlington NHS Foundation Trust (the Trust). Your request has been processed under the provisions of the Freedom of Information Act 2000 and I am now able to provide you with a response.

Your request was in relation to Borderline Personality Disorder and I am providing the following information in response to your specific questions:

Please provide the following information in full for the years 2019, 2020, 2021, 2022, 2023. (Please note that I use the term 'borderline personality disorder' but would also like stats for 'emotionally unstable personality disorder' if that is the diagnostic term your trust uses.)

- 1. Please provide your trust policy for borderline personality disorder diagnosis and treatment.**
- 2. How much funding is received for the care of borderline personality disorder and how is this money spent?**
- 3. How many adult patients are there within the trust with a diagnosis of borderline personality disorder?**
- 4. What specialist treatments or therapeutic interventions do the trust facilitate for all patients diagnosed with borderline personality disorder?**
- 5. How much does it cost the trust per year to provide medication to adults diagnosed with borderline personality disorder?**
- 6. How many patients/service users with borderline personality disorder require in-patient care and what is the cost of this?**

7. Does the trust provide dialectical behaviour therapy? If so, please provide the numbers of patients/service users who have used this service. If not, is there a plan to implement this treatment?
8. How many suicides of patients diagnosed with borderline personality disorder have there been each year?
9. How many complaints have been lodged in relation to borderline personality disorder treatment?

The Trust does not provide mental health services. Tees Esk & Wear Valley Foundation Trust should be the first point of contact for this information. If you wish to contact Tees Esk & Wear Valley Foundation Trust, we would advise, in accordance with Section 16 of the Act (duty to provide advice and assistance), that you contact that organisation via the following address:
