Dear

Freedom of Information Act 2000 – Request for Information

Thank you for submitting a request for information which we received on 14th February 2024 in relation to County Durham and Darlington NHS Foundation Trust (the Trust). Your request has been processed under the provisions of the Freedom of Information Act 2000 and I am now able to provide you with a response.

Your request was in relation to Cancellations caused by defective diagnostic equipment and I am providing the following information in response to your specific questions:

The number of procedures that were cancelled by your NHS Trust due to issues with defective diagnostic equipment in each of the calendar years

The Trust cannot specifically say the number of procedures which had been cancelled for failed diagnostic equipment, the cancelled operations information does not hold that granularity of data. The Trust can say which procedures have been cancelled if the equipment had failed or if it was unavailable.

- b) **2020** - 9
- c) **2021** - 10
- d) **2022** - 12

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our

disclosure log on the Trust's website. However please be assured that we anonymise all responses prior to adding them to the disclosure log.

I hope that this response has provided you with the information you had requested. If you have any queries or wish to discuss the information supplied, please do not hesitate to contact me by telephone or in writing. If however, you are dissatisfied with the way in which your request has been handled and would like an internal review, you will need to contact me in writing at the above address or via cdda-tr.cddftfoi@nhs.

If you remain dissatisfied with our response following an internal review you have the right to appeal to The Information Commissioner at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. More information is available on their website; www.ico.gov.uk.
