What we expect from you.

Easy read leaflet

Please try to be polite and helpful to hospital staff.

Tell us about your previous medical problems and any allergies or reactions you may have had.

Let us know if you do not understand what we discuss with you, before you sign any forms agreeing to treatment.

Follow the instructions of treatment plans or tablets you may have been given.

Understand that if you do not take tablets or accept treatment, you will be responsible if you stay unwell.

Try to be thoughtful to the needs of other patients.

Take care of your own belongings and do not use anything that belongs to other patients.

Let us know as soon as possible if you cannot come to your hospital or clinic appointment.
