Junior Doctor Forums are held face to face at DMH Education Centre, Prospect House or via Microsoft Teams. All doctors in training welcome to attend.

We have 4 face to face only forums throughout the year (highlighted in blue as above). These forums will be supported by attendance from the trusts' senior executive team and lunch will be provided.

The Microsoft teams' link will be sent via email in advance of the forum date.

Previous minutes are available to view on Medical Educations' Governance Intranet site.
